Dawn of the Space Age

Relive the excitement of the early days of space exploration!

Produced by Mirage3D

Distributed by
Loch Ness Productions

From the launch of *Sputnik*, the first artificial satellite, to the magnificent lunar landings and privately operated space flights — be immersed and overwhelmed by this highly accurate historic reconstruction of humanity's first steps into space.

Who were the men and women who took part in such death-defying endeavors? Witness their drive, their passion, and their perseverance to explore beyond the confines of our planet... in *Dawn of the Space Age*.

Running time: ~40:00
 Suitable for: **Family audiences**
 Information about: **Space Science, Planetary Science, History.**
 Year of production: **2007**

Available languages: **English, Dutch, German**
